Bright & Spacious

Sharing the same interiors as the elegant apartments of the Aqua Park Vacation Club, the Annex features a harmonious mix of contemporary and comfortable. Stylish bedrooms provide a tranquil haven from the bustle of the city, thoughtfully decorated with a light, airy approach reminiscent of the seaside town in which they are located. The kitchen is bright and spacious, offering aspiring cooks a sanctuary with top-of-the-line appliances, ample storage and well-fit workspaces that are sure to inspire even the most novice chef.

High Quality That Stands The Test Of Time.

A successfully blended combination of components, from modern concrete cladding to wood elements and brick featured walls create an elegant pairing of traditional materials with contemporary artistry. Unique tiles, gleaming marble floors and countertops, aluminium or glass balconies, stainless steel fittings and high quality fittings throughout, enhance the feel of modern luxury.
